Project Overview

Project Title : Urban Company

Description : Discover the future of urban living with Urban Co, your one-stop solution for all things city life. We specialize in transforming your urban environment into a sanctuary of comfort, style, and efficiency. Our services range from home cleaning and repairs to interior design and lifestyle management, all tailored to meet the dynamic needs of city dwellers.

Table of Contents

❖ Project Overview :

➢ **Professional Home Services:** From deep cleaning and pest control to plumbing and electrical repairs, our expert team ensures your home is always in top shape.

➢ **Interior Design and Renovation:** Our design specialists work with you to create living spaces that reflect your style and maximize your space, bringing your urban living dreams to life.

➢ **Personalized Lifestyle Solutions:** We provide concierge services, event planning, and organizational support to help you balance your busy schedule with ease.

➢ **Sustainable Practices:** Committed to eco-friendly solutions, we use green products and sustainable methods to protect your home and the environment.

❖ Technology Stack :

➢ **HTML5:** Utilized for creating a modern, responsive, and structured web layout that enhances user experience.

➢ **CSS3:** Enables sophisticated design elements and animations, ensuring our website is both visually appealing and functional.

➢ **Bootstrap:** Implements responsive design, ensuring our site looks great on any device, from smartphones to desktops.

➢ **Fontawesome:** For different attractive icons.

❖Features of Urban Company:

➢ **Wide Range of Services:**

▪ Comprehensive home services including cleaning, repairs, and maintenance.

▪ Specialized services like pest control, painting, and appliance servicing.

- Professional Expertise:

  - Access to a network of skilled and certified professionals.

  - Rigorous vetting and training processes to ensure quality and reliability.

- User-Friendly Platform:

  - Intuitive website design with easy navigation and service selection.

  - Seamless online booking system that allows for quick and hassle-free scheduling.

- Responsive Design:

  - Mobile-friendly website built using Bootstrap, ensuring accessibility on all devices.

  - Fast loading times and optimized performance for a smooth user experience.

❖ Setup and Installation:

➢ Install a Web Browser:

- Google Chrome
- Mozilla Firefox
- Microsoft Edge
- Safari

❖ Code Structure :

➢ Header :

```html
<header>
    <nav>
        <DIV class="left"></DIV>
        <DIV class="center">

```

❖ Testing :

➢ All the images are visible properly.

➢ All the buttons are working properly.

➢ CDN & Bootstrap is working properly.

❖ Challenges and Solutions:

➢ Challenges : Lay outing

➢ Solution :

▪ Dividing the main container into three different containers helps a lot.

▪ Arranging Social Media Icons.
